

## Reading a Seed Packet

1. What information is found on your seed packets?
  - a. What information is found on all of the seed packets? Why do you think this information is always included?
  
  
  
  
  
  
  
  
  
  
  - b. What information is NOT found on all of the seed packets? Why not?
  
  
  
  
  
  
  
  
  
  
2. Is any of the information found on your seed packets extraneous or unnecessary?
  
  
  
  
  
  
  
  
  
  
3. Is there any information that you would like to see on a seed packet that is not included?
