

2024 MGV Training Final Project Timeline

15 Minute Presentation

(12-minute talk followed by 3-minutes for questions)

March	Sign-up for a presentation day.
April	<u>Brainstorm</u> topics, talk to your mentor, talk to fellow trainees, do some research, think about what kind of presentation you want to give (i.e. PowerPoint, interactive activity, demonstration, video, combination, etc.).
May	Topic choice due by Saturday, May 11 th <ul style="list-style-type: none">Send Susan N. an email and cc your mentor with your topic choice and how you plan on presenting it.
June	Once your topic is approved by Susan N. do more research, create an outline, look for photos, etc. Talk to your mentor about your outline.
July	Put your presentation together (i.e. create your PowerPoint, collect materials needed for your demonstration, create handouts, etc.)
August	Do a run through of your presentation for your mentor and other trainees.
September	Presentations during class.
October	
November
